### Gitano at Casa Faena

3500 Collins Ave / [Website](#)

Gitano at Casa Faena is a tropical oasis featuring a dining room, outdoor terraces, a bar and lounge, and a rooftop terrace, all inspired by the tropical rainforests of Tulum and Spanish-Colonial cities in the Yucatan. On the Rooftop Jungle, guests will find signature tropical vibes, Roma-disco-inspired sounds, and refreshing cocktails, bringing Mexico to you. Guests can also enjoy live music and excellent craft cocktails every Wednesday through Sunday. A great rooftop bar for those who love aesthetics and relaxing environments.
