

World's Hottest Hotels: Miami Beach

Check out 8 of the trendiest and most luxurious places to stay in Miami Beach.

If you're looking for a lavish getaway, Miami Beach has several properties that offer opulence and over-the-top luxury. From an extravagant 24-karat gold woolly mammoth enclosed in a hurricane-proof glass box to a nightclub with an ice skating rink and even Gianni Versace's former mansion, these are just a few of Miami's hottest hotels.

Faena Hotel

Faena Hotel Miami Beach

Did you even go to the **Faena** if you neglected to pose in front of the woolly mammoth and find the perfect filter for Instagram? The answer is, no. The Faena opened its doors to the public in 2015, when prominent Argentine real estate developer Alan Faena brought to life one of Miami's forgotten spots. The golden mammoth isn't the only jaw-dropping attraction, with the South American inspired spa, the lavish lobby and dining room decor and of course, the ocean-front penthouse suites.

Contact Info: 3201 Collins Ave, Miami Beach, FL 33140, (305) 534-8800

Rooms: Guest rooms, suites and a penthouse

Restaurant(s): The Faena offers two restaurants, **Los Fuegos** by Francis Mallman and **Pao** by Paul Qui. Los Fuegos features Argentine grillmaster Francis Mallmann who creates a live-fire cooking experience in an open-fire kitchen, and he cooks with local ingredients to create his famous savory dishes. Pao offers modern Asian cuisine with ocean views, featuring a range of international styles that include Filipino, Japanese, Spanish and French.

Pool: Known for their signature candy-striped umbrellas, the Faena pool provides a luxurious, comfortable area for sun-bathing and outdoor activities. With the beach just steps away, the outdoor area makes for the ultimate relaxation getaway.

Extras: The Faena offers the **Tierra Santa Healing House**, a 22,000-square-foot hammam, the largest on the East Coast. It features shaman-developed body-healing rituals and treatments, along with facials and massages.
