How 17 Miami Hotels Are Celebrating Art Basel 2017

Miami's boldest hotels aren't just a place for art enthusiasts to crash during Art Basel, they're creative hotbeds to experience artwork from established and emerging artists, dine on delicious eats from world-class chefs and party down to music from renowned DJs who keep the crowds humming late into the night. Here are the top hotel hot spots to add to your Art Basel hit list.

Faena Hotel Miami Beach

Todd Eberle

The pool at Faena Hotel Miami Beach.

Faena Miami Beach was founded on the philosophy that art and culture can transform communities. Its spaces serve as an incubator for artistic innovation and a platform for established and emerging artists from around the world. For Art Basel, Phillip K Smith will be presenting his reflective piece, “120 Degree Arc East-Southeast,” a mirrored installation on the hotel’s private beach that plays with viewers’ perception of the horizon using 300 geometric reflectors angled at 10 degrees.
