Menu items subject to change

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase the risk of food borne illness, especially if you have certain medical conditions. Several menu items may contain peanuts, tree nuts, fish, shellfish, eggs, milk, soy and gluten. Inform your server if you have a food allergy. There is a risk associated with consuming raw oysters. You are at greater risk of serious illness from raw oysters and should eat oysters fully cooked.

If unsure of your risk, consult a physician.
