MIAMI SPA MONTHS

SUMMER GROUNDING MASSAGE RITUAL

60Minutes, \$199++

Inspired by the restorative spirit of Tierra Santa Healing House, this immersive wellness ritual is designed to calm the senses, nourish the skin, and restore balance to body and mind. The experience begins with a personalized botanical inhalation to ground the nervous system and promote deep relaxation. A revitalizing back exfoliation follows to smooth and renew the skin, preparing the body for a probiotic-rich full-body massage using Swedish techniques to support overall wellbeing while deeply hydrating the skin. The ritual concludes with a cleansing palo santo and chime sound healing ceremony, leaving guests restored, centered, and renewed.

HYDRATION OF THE BISSES FACIAL BY VALMONT

60Minutes, \$199++

This hydration-focused facial ritual features Valmont, renowned for its cellular cosmetics rooted in Swiss glacier science and advanced anti-aging technology. A slow, restorative facial massage supports lymphatic drainage and improves fluid circulation while powerful hydrating ingredients infuse the skin with moisture. The treatment replenishes the epidermis, restores suppleness, and enhances radiance—ideal for maintaining balanced, healthy skin during Miami's summer months.
