

DININGOUT MIAMI

The Myth

Add a little whimsy to your home bar

They call this cocktail **The Myth**, but if you ask us, it's the real deal. Find this whimsical unicorn cocktail at **Pao by Paul Qui** {3201 Collins Avenue, Miami Beach; 786.655.5600}, and after you fall in love with it, play bartender and whip one up for yourself. We've got the recipe, below!

Here's how it's made:

Build 1 1/2 ounces **Absolut Elyx**, 1/2 ounce **Cherry Heering**, 1/2 ounce **Coco Lopez**, 1/2 ounce **pineapple juice**, 1/2 ounce **ginger syrup**, and 3/4 ounces **lemon juice** in a shake tin. Add one large scoop of **crushed or pebble ice**. Whip-shake back and forth. Pour into an **Absolut Elyx Copper Unicorn**, if you have one. (Otherwise, any cocktail glass will do.) Top with two ounces **club soda**.
